Dear Racehorse Owner,

Thank you for your recent inquiry regarding our staking service for staking your horse(s). If you have contacted us, you are probably aware eligibility to stake events can enhance the value of your horse(s). The racing opportunities selected can allow an owner to maximize earning potential.

In order to stake your horse(s), we will need a copy of each horse's registration papers. This is necessary to allow us to enclose the information in the payments sent to certain stake administrators. Registrations can be mailed, e-mailed, or faxed to the office.

To help make our staking service affordable for our clients, we are offering tiered pricing. These costs are for the staking service only. The actual payment for each individual event selected will vary, based on information from the race sponsor(s).

\$125/horse = Indiana sired horses staked to ONLY Indiana sired events
\$150/horse = Staking to Indiana sired events, as well as limited local events
(Indianapolis & Hoosier Park)
\$175/horse = Full schedule of unlimited events

We like to start putting horses to be staked in our system by **January 15**. Since many 3 year old & Aged payments are due February 15, all payments and instructions from any partners need to be in the office by the **February 10**. This will allow us to process your requests and include all horses on our lists.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Stacey Ruddick
