Dear Yearling Owner,

Thank you for your recent inquiry regarding our staking service for nominating your yearling(s). If you have contacted us, you are probably aware eligibility to stake events can enhance the value of your horse(s). A few extra dollars invested now could result in realizing a higher price for your stock down the road.

In order to stake your yearling(s), we will need a copy of each horse's registration papers. This is necessary to allow us to enclose the information in the payments sent to certain stake administrators. Registrations can be mailed, e-mailed, or faxed to the office.

To help make our staking service affordable for our clients, we are offering tiered pricing. For yearlings nominated to less than five (5) events, the cost for the service is \$50/yearling. Nomination to more than five (5) events will run \$75/yearling. The fee for each individual event selected is listed on the enclosed registration form.

Since yearling nominations are due May 15, we will need all payments and instructions from any partners in the office by the May 10. This will allow us to process your requests and include all horses on our lists.

For yearlings consigned to a public auction, it is important the sales company receive a copy of the stake engagements. For your convenience, we will be happy to forward a copy of your stake list(s) to the appropriate sale venue. To take advantage of this service, simply mark the sale venue for consignment on the registration form.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Stacey Ruddick
